

## Connells Point Public School – School Uniform

Our school community has endorsed the wearing of a school uniform, and it is expected that all children will wear correct uniform on all occasions. A written note of explanation should be provided if there is ever a need for a child to be out of uniform.

When representing Connells Point Public School in PSSA or other external activities, all students must adhere to the dress code approved by the Principal and endorsed by the School Council. Failure to do so may prevent your child's attendance. Each PSSA sport and band have specific uniform requirements. Please refer to the website for details.

Student financial assistance is available on request to the Principal for those experiencing financial hardship.

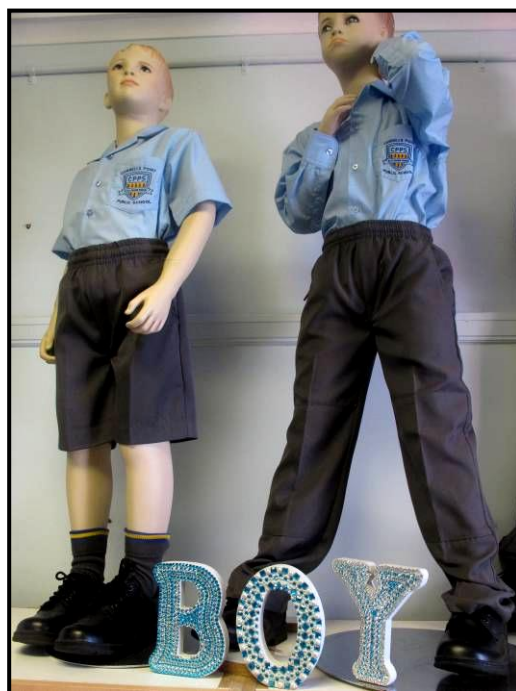

Please see pages below for a detailed summary of our school summer and winter uniforms, including sport uniforms.
