## Connells Point P&C Association Social Media Policy

### Policy

Connells Point Public School P&C Association is committed to providing a safe and healthy environment for all members of the school community. This includes ensuring effective and positive communications in all mediums.

### Policy Objectives

Connells Point Public School P&C Association intend to utilise all forms of communication to promote the work of the P&C Association, the school and to engage community.

### Responsibilities

The President together with the nominated Social Media Coordinators is responsible for the administration and moderating of all Connells Point Public School P&C Association social media.

Social media is defined as a group of online applications such as social networking sites, wikis, blogs, microblogs, video and audio sharing sites, and message boards that allow people to easily publish, share and discuss content.

Purpose of social media is to facilitate conversations in a dialogue, an opportunity to promote, listen, share, collaborate and respond to our colleagues and communities.

In using social media all P&C members agree to follow Connells Point Public School P&C Association policies including the Code of Conduct.

Members agree to be clear in representing the P&C Association. Where a member is not representing the P&C Association it should be made clear that comments are made by you as an individual. Members shall be mindful that your role within the Connells Point Public School may create a connection between what you say online and the P&C Association itself. Identify yourself when discussing P&C Association related topics or issues.

Where a member uses social media they shall represent the P&C Association well and be sure that the content published is consistent with expected professional standards

Members shall be mindful that social media posts may have consequences where they are not appropriate. Members will respect copyright and show respect for copyright laws and fair use of copyrighted materials owned by others, including user-generated content.
