**When I Look at the Clouds**

George Hatzidis Year 4 Connells Point Public

I can see a bunny,  
Fluffy as can be.  
I can see a cow,  
Standing near the tree.

I can see a chicken,  
Huddled in its pen.  
I can see a rooster,  
Talking with a hen.

When I lie on the grass,  
I look up to the sky.  
These are all the things I see,  
Amongst the clouds so high.
