Australian Things

Snags on the barbie and pies at the football,
Harbour Bridge fireworks and girls playing netball,
Surf at Cronulla while having a swim,
These are a few Australian things.

Brilliant Blue Mountains and tender lamb roast,
Milo and Weet-bix and Vegemite toast,
Koala snoozing while kangaroos spring,
These are some more Australian things.

Trams into Melbourne and Luna Park faces,
Cities and gum trees and wide-open spaces,
Sydney Harbour glistening in the moonlight,
These are a few Australian sites.

When mozzies bite,
Blue bottles sting,
When I feel alone,
I simply remember Australian things,
And then I feel at home!
